

Arthur Dudley 1926 - 2017

In the last few years, not only had it been a pleasure to see Arthur and Jean at the annual reunion, but his remarkable memory and engaging personality brought something special to the occasion. It was therefore a great loss to the OW community when, following a fall, Arthur passed away in January this year. The loss to Jean and their family and friends will be even greater, and we offer our sincerest condolences to them all.

In addition to Arthur's welcome input at our reunions, he was one of the few remaining OWs able to explain how to sleep in a hammock – without falling out! He also found time to write an account of his time at Witley and thereafter, which may be accessed by following [this link](#).
