4.2 Pupils

1. Operate the nearest Fire Alarm Call Point.
2. Leave the building by the nearest fire exit.
3. Do not attempt to fight the fire.
4. Go directly to your designated Assembly Point and notify the member of staff of your actions:

4.3 Medical Centre

1. Operate the nearest Fire Alarm call point.
2. Leave the building by the nearest fire exit and go directly to your designated Assembly Point J (see Annex G/H).
3. Await instructions from the Fire Officer/Duty Fire Officer as to where to go with the evacuees.

5. GENERAL FIRE EVACUATION FROM BUILDINGS

DAY TIME (0820–1850)

In the event of a fire the Fire Alarm will only sound in the zone where the alarm was initiated.

It is important that staff and pupils are aware that they should not enter at any time a zone where the Fire Alarm is sounding.

All staff within each zone will assist the evacuation from the affected zone to the Tarmac Assembly Point and will hand over control to the duty staff on their arrival.

5.1 Staff and Pupils

1. On hearing the Fire Alarm, leave the building quickly using the nearest fire exit and make your way to your designated Assembly Point (see Annex G).
2. When it is not safe or possible to proceed via the primary fire escape, an alternative fire exit should be used. Where there is no secondary escape route, follow the procedures in 5.3 below.
3. Do not re-enter the building.
4. Do not run.
5. Do not stop to collect your belongings.
6. Do not lock classroom doors.

5.2 Science School

It is necessary for staff to establish if the standard evacuation procedures are to be followed (as 5.1) above or, if safe evacuation cannot be achieved, to direct pupils to an area of refuge (see diagram).

What is an area of refuge? An area of refuge is a location in a building designed to hold occupants during a fire or emergency when evacuation may not be safe or possible, i.e., a primary safe escape route is not accessible or passable and there is no alternative escape route.

Where are the areas of refuge? Science School – First Floor, Classrooms T12, T10, T7, T1.

5.3 Information Technology

On hearing the Fire Alarm all staff/pupils are to leave the building by the nearest Fire Exit and go to your designated Assembly Point L (see Annex G). The designated Assembly Point for all pupils remains the Tarmac Assembly Point at all times. ICT support staff should remain in the vicinity at a safe distance to act as security to the ICT Plant. One member of staff is to report to the duty member of staff at the Tarmac Assembly Point that they have evacuated the building.

5.4 Medical Centre

The Duty Staff, on hearing the Fire Alarm, will immediately tour the building to check if the alarm has been set off by a fire or incident within the Medical Centre. If so, she must evacuate everyone from the building using the nearest fire exit and go to Assembly Point J (see Annex G) to await further instructions from the Fire Officer/Duty Fire Officer.

5.5 Official Internal/External Examinations

1. On hearing the Fire Alarm, the person nominated by the Deputy Head Academic is to report immediately to the Fire Officer/Duty Fire Officer at the Tarmac Assembly Point A (see Annex G) and await further instructions. Evacuation of examination premises will only occur if the area is at risk. A list of pupils is to be made available if requested by the Fire Officer/Duty Fire Officer.
2. Examinees and invigilators will be informed by the Deputy Head Academic or nominee of any action to be taken.
3. If evacuation of examination premises is necessary, pupils and staff will evacuate to designated Assembly Points as listed below:

Charter Hall: The grass area between the Old Library and the Chapel.

Lecture Theatre: The Head's Lawn.

Selborne Room: Memorial at the front of the school.

Sports Hall: Hardcourts

At all times the safety of pupils and staff is paramount, but special efforts should be made to ensure the integrity of the examination itself by locking the venue if examination papers have been distributed and by ensuring that pupils do not communicate with each other at any time.
