Executive summary

This is an exceptional leadership opportunity for a new Head of Keyboard to join a flourishing boarding and day school, set on an attractive 100-acre campus and in a beautiful part of rural Surrey.

We seek to appoint an outstanding and inspirational pianist to further improve pupils' attainment and raise the profile of music within one of the School's leading departments where standards are already high and numbers are thriving. The post-holder will also be required to serve as the School organist.

Music is an integral part of life at King Edward's, Witley. This appointment is important for the continuing academic growth of the School, at an exciting moment following significant investment into new buildings, with growing pupil numbers and clear evidence of development in all areas of School life.

The successful candidate will

- possess the rigour and vigour to lead continual development, improvement, learning and renewal
- ensure that pupils' learning is at the heart of their departmental leadership, and
- support pupils and colleagues to achieve their fullest potential, providing effective management, leadership and development to ensure a positive and forward-thinking workplace.

All full-time teachers have responsibility for academic tutoring of around 16 pupils. Part of the tutoring responsibility involves a duty evening in one of the Houses. All full-time staff also play a part in the co-curricular and pastoral life of the School according to their skills and aptitude: at King Edward's a very wide range of sports, arts, community and other activities is offered, in the afternoons and on Saturday mornings. Although there are no lessons on Saturday mornings, the weekend programme is a busy one and all teaching staff should expect to participate in one way or another.

King Edward's – yesterday, today, tomorrow

As one of the longest-standing co-educational schools in the country and one of only two remaining Royal Hospitals from Tudor times, King Edward's Witley has a rich history of providing an education which is holistic, inclusive and progressive.

YESTERDAY

Nicholas Ridley, Bishop of London, convinced the boy King Edward VI to grant his palace at Bridewell on the banks of the Thames to the Lord Mayor of London, so creating the parent foundation – Bridewell Royal Hospital – as a place for the training and education of poor children in 1553. In 1860, the new charity scheme for Bridewell Royal Hospital was created and the House of Occupations was renamed King Edward's School admitting boys and girls from aged 10.

The pupils from King Edward's Boys' School moved to its current site in Witley in 1867 and the School now occupies around 100 acres of stunning Surrey countryside. The School became co-educational again in 1952 and 2017 marked the 150th anniversary of the Witley school on its current site.

TODAY AND TOMORROW

We are steadfastly proud of our heritage and longstanding engagement with the City of London through the Bridewell Foundation. King Edward's Witley and Barrow Hills School are the operational arms of Bridewell Royal Hospital, a charitable Foundation from which both schools inherit

a culture with diversity, generosity, opportunity and social responsibility at its heart, combining a global outlook with a sense of local belonging. More concretely, a significant endowment from Bridewell allows us to provide boarding places to pupils with a clear boarding need – our Foundationers.

King Edward's holds true to its Founders' mission to offer a foundation for life to young people from a range of backgrounds. At King Edward's this means an exciting and challenging curriculum, a broad range of sporting, artistic, social and cultural opportunities and an environment which is specifically created to inculcate the values of independent learning, responsibility for others and the enjoyment of challenge.

Pupil experience is at the heart of what we do. The School has over 470 pupils, many of whom are day pupils from primary and Prep Schools, and pupil numbers are growing. Boarding is a core pillar of the King Edward's community, with over 140 boarders accommodated in Houses including an Upper Sixth pre-university House.

All pupils, day and boarder belong to a House and are cared for by their Housemaster/ Housemistress and their team.

King Edward's – yesterday, today, tomorrow *continued*

Around 30% of pupils live abroad, in over 30 different countries and there is a growing cohort of local day pupils. The Sixth Form generally numbers more than 100 pupils, most of whom go on to study at Russell Group, Oxford and Cambridge (in small numbers), and leading European or US-based universities.

Tradition continues to be highly valued and close links with the City of London remain through the Court of Bridewell (Board of Governors). The Lord Mayor attends Admissions Day and the School's annual Foundation Day Service at St. Bride's Church. Pupils participate in a range of events and activities associated with the City of London, perpetuating the School's links with its historic roots.

The School has a long tradition of philanthropy and addressing disadvantage and vulnerability. King Edward's offers welfare

bursaries through the Bridewell Foundation, livery companies and other charities, for young people who are less advantaged and who have a particular need for a boarding education. Over 50 pupils are supported by the Foundation and other charities with financial contributions equal to annual boarding fees to attend the School. King Edward's is proud of its ongoing work transforming the lives of disadvantaged young people through providing a safe, fulfilling and purposeful educational environment.

The Head is a member of HMC.

Further details of the School are to be found in the Independent Schools' Yearbook, or on our website www.kesw.org.

Academic life and life beyond the classroom

ACADEMIC LIFE

King Edward's offers a broad, balanced curriculum, where excellent teaching is provided in a supportive and stimulating environment, enabling pupils to equip themselves with the skills and characteristics needed to succeed in today's ever-changing and dynamically global society.

The School follows the National Curriculum but learning goes well beyond this, enabling pupils to think critically, study broadly but also in depth, and pursue interests in the creative and active sides of life, devoting attention to the wider community. Therefore, the School has two exam pathways at Sixth Form: A-Levels and BTECs to allow pupils to pursue different routes through the post-16 curriculum.

The School is building its academic profile and sees this as its highest priority. Whichever pathway they take, all pupils are encouraged to be independent thinkers, develop a love of learning and be open-minded and principled.

LIFE BEYOND THE CLASSROOM

The 100-acre site at King Edward's and excellent facilities ensure that the School can provide co-curricular and enrichment opportunities that are extensive and wide-ranging. Pupils follow a balanced programme of activities based on the CAS (creativity, action, service) element of the International Baccalaureate.

There is significant ongoing investment into the School's facilities, notably the Academic Hub and Reception area containing a Learning Resource Centre, and a fully refurbished day and boarding House for the Upper Sixth girls and boys.

Pastoral care and boarding

“Pupils of all ages demonstrate outstanding levels of respect for diversity and other cultures... [they] contribute enthusiastically to boarding and the community... [and] have a highly developed sense of moral understanding.” ISI 2022

King Edward’s has a uniquely diverse pupil body – culturally, socially and economically – and this forms a key part of its identity and ethos. Pupils benefit hugely from the outstanding care and support that the School provides which is inclusive and outward-looking.

Unique paired Houses share common rooms, kitchens, television and music rooms allowing girls and boys to mix naturally. This is particularly valued by parents and characterises the School’s belief in engendering equality in the community.

Housemasters/ Housemistresses lead each House, ensuring pupils are treated as individuals and encouraged to pursue their passions.

The School also offers weekly boarding and flexi boarding which is particularly popular with parents from London who wish their children to benefit from the countryside and a boarding environment but retain some flexibility.
